# Memo

**To:** Firestone Fleet Care – Stores and Dealers  
**Date:** April 1, 2011  
**Re:** Enterprise Rent-a-Car

---

Effective April 1, 2011 all Enterprise Rent-a-Car transactions should be billed to:

**5600-511-7-A**

Going forward, you will soon notice that the account number you typically utilize for Enterprise Rent-a-Car is no longer available. Please be sure to either key in or choose this new number when billing an Enterprise Rent-a-Car transaction.

This change is something that service locations have been asking for and we are now in a position to provide you with a solution. In order to make this successful it is vital that you key in accurate information regarding vehicle, VIN, make, model, mileage and license plate numbers. It is also important that you enter the correct vehicle group number and ERAC issued 12 digit billing number. We utilize all these data points during our vehicle match up process. If we are unable to match a vehicle based on the information you provided we will return the ticket and asking you to revalidate and secure more accurate data.

This change affects Enterprise Rent-a-Car only.

THIS NATIONAL ACCOUNT DIRECTORY IS FURNISHED TO BSRO COMPANY OWNED SERVICE CENTERS AND PARTICIPATING DEALERS WHO REGULARLY TRANSACT NATIONAL ACCOUNT BUSINESS. IT IS USED FOR REFERENCE PURPOSES TO VERIFY THAT:

ALL REQUIREMENTS FOR BILLING ARE RECORDED PER FIRESTONE'S AGREEMENT WITH THE NATIONAL ACCOUNT.

BILLING DOCUMENTS ARE PROPERLY PREPARED, IN ORDER TO ALLOW A CHARGE TO THE CUSTOMER AND A CREDIT TO THE SERVICE PROVIDER TO BE PROCESSED WITH A MINIMUM OF DELAY.

EACH SALES ASSOCIATE MUST BECOME FAMILIAR WITH THE BASIC RULES FOR DOING NATIONAL ACCOUNT BUSINESS AND HAVE A WORKING KNOWLEDGE OF THE NATIONAL ACCOUNT PROCESS.

## **BRIDGESTONE RETAIL OPERATIONS POS STORES**

**THE CUSTOMERS LISTED IN THIS DIRECTORY MAY BE FOUND ON YOUR P.O.S. SYSTEM BY THE FOLLOWING METHOD:**

- **The POS system at BSRO stores contains an on-line version of this directory that is updated daily as part of your nightly polling process. Your system allows you to find National Account customers, and their number, by name input alone. You do not need an account number; your POS system can look it up for you. Gather and input driver information the same as a retail transaction. Convert the ticket to a National Account transaction by clicking on the National Account button. Start the Alpha lookup function by typing the National Account name. If the driver provides their account number, this can also be added in the account number box.**
- **HELP DESK: The National Account Help Desk is dedicated to assisting all store and dealers with any aspect of the processing of National Account transactions. The teammates staffing the Help Desk are trained to answer any question you may have or direct you to the person who can, without a search on your part for the right party. Please post this number where it is available for all your teammates.**

## ELECTRONIC DATA ENTRY FOR DEALERS

BFDI (Bridgestone/Firestone Direct Input)

Entirenet (*bfentirenet.com*)

- **What is BFDI/Entirenet**
  - Allows the dealer to enter Firestone National Accounts, Government transactions, Transfers and Bridgestone Fleet delivery receipts directly into the Bridgestone/Firestone Billing System.
  
- **What will Electronic Processing do for me?**
  - Allow direct input into BATO systems for complete editing
  - Provide credit back to the dealer after the next billing cycle (24 & 48 hrs)
  - Allow automatic faxing of credit
  - Improve cash flow
  - Eliminate mailing of delivery receipt form
  - Provide history/reporting. Ability to see the credit number on line
  - Shorter cycle time of processing

The Entirenet system accesses an on-line version of this directory. Updates occur daily. A dealer using Entirenet may eliminate the mailing of tickets to Brook Park for processing and expedite the receipt of credits. An additional benefit is that any dealer submitting invoices electronically may discontinue the use of the standard National Account TST form and use their own tickets as long as all data requirements are met. **For information regarding this capability please contact Sabrina Johnson at Bridgestone/Firestone North American Tire in Nashville, (800) 321-8284. For technical issue contact the electronic help desk, (800) 224-4399. To begin to use E-Processing connect to *www.bfentirenet.com*.**

- **HELP DESK:** The National Account Help Desk is staffed with teammates that are trained to answer any question you may have or direct you to the person who can. Please post this number where it is available for all associates handling National Account transactions at your dealership.

**HELP DESK 800-458-0667**

## NATIONAL ACCOUNT CUSTOMERS

### WHO THEY ARE:

"A NATIONAL ACCOUNT" is a company or corporation with vehicles used to perform company business. Generally it is required that they operate a regional or national fleet of vehicles, have excellent credit worthiness, and be willing to accept Home Office billing.

### BUYING PRICE:

**Tires:** Tire prices are negotiated with the Home Office locations of each account and any requests for pricing information or quotations must be referred to Firestone National Accounts at 630-259-9160, or the Account Executive assigned to the customer.

**Parts &**

**Service:** Use National Account Service Price List (P171). If you do not have one, contact National Account Sales 630-259-9160.

### MERCHANDISE AUTHORIZATION:

SOME ACCOUNTS WILL SPECIFICALLY EXCLUDE OR INCLUDE ITEMS IN ADDITION TO THOSE STATED. THE DIRECTORY MUST ALWAYS BE REFERRED TO FOR AUTHORIZATION BEFORE MAKING ANY DELIVERY OF MERCHANDISE OR SERVICE. In some cases only specific items may be authorized for delivery. A special message under the name of the account will tell you if that account has restrictions on specific services.

### TRADE IN ALLOWANCE:

The National Account Program DOES NOT provide for a "trade-in" allowance on any products.

**TIRE REGISTRATION PROGRAM:**

**National Accounts** – The instructions, which you have received concerning the recording and registration of tire serial numbers, apply to National Accounts as well.

The name and address, including Zip Code, should be that of the company that authorized the purchase of the tires, or as indicated in the "Ship To" portion of the Delivery Document. A full and complete block of ship to information is required on every transaction.

**SUBSTITUTIONS:**

**It is extremely important that no substitution be made for merchandise as shown on the Purchase Order.** If the Purchase Order is in error, or an "out-of-stock" condition exists, contact the office and person who issued the order and obtain permission to correct or change the order. A participating store or dealer must make record of any change in purchase authorization and retain it in their records.

Complete Vehicle Inspection service charges are prohibited unless specifically requested and authorized by the National Account. Any unauthorized services will result in a charge back to the service provider.

**For Additional Information or Assistance contact Account Executive or Help Desk (800-458-0667)**

**THE FOLLOWING ACCOUNTS WILL NOT ACCEPT  
COMPLETE VEHICLE INSPECTION SERVICES**
